Trail Description

When completed this trail will extend from Garin / Dry Creek Pioneer Regional Park to Anthony Chabot Regional Park. The trail is proposed from the boundary of Garin / Dry Creek Pioneer Regional Park to the bottom of Five Canyons Open Space. Then continues through residential areas and along city sidewalks through Cull Canyon Regional Recreation Area. From Cull Canyon the trail follows along 3.3 miles of EBMUD hiking trail south of the San Leandro Reservoir. The trail ends at the Anthony Chabot Staging Area located at the southwest end of Chabot Regional Park.

Portions of this trail cross private property. Users may not leave the trail, must not approach or harass livestock and no bicycles, dogs or firearms are permitted.
